Why Do Catholics: What special prayers does the priest pray over the elements on the altar? Do we join him? The priest prays over the elements to be used during the consecration. He prepares the chalice with wine mixed with water. This symbolizes both union of the divine and human in Jesus, and also the union of our lives and sacrifices with the sacrifice of Jesus. Twice the congregation responds: "Blessed be God forever." The priest then washes his hands as an expression of his desire to be spiritually cleansed and made worthy to consecrate the Mass. Then the people pray: "May the Lord accept the sacrifice..."

Who's Who

Pope John Paul II - Feast Day – October 22

He was elected by the second Papal conclave of 1978, which was called after Pope John Paul I, who had been elected in August to succeed Pope Paul VI, died after thirty-three days. Cardinal Wojtyla was elected on the third day of the conclave and adopted his predecessor's name in tribute to him. John Paul II is recognized as helping to end Communist rule in his native Poland and eventually all of Europe. John Paul II significantly improved the Catholic Church's relations with Judaism, Islam, the Eastern Orthodox Church, and the Anglican Communion. He upheld the Church's teachings on such matters as artificial contraception and the ordination of women, but also supported the Church's Second Vatican Council and its reforms.

He was one of the most travelled world leaders in history, visiting 129 countries during his pontificate. As part of his special emphasis on the universal call to holiness, he beatified 1,340 people and canonized 483 saints, more than the combined tally of his predecessors during the preceding five centuries.

John Paul II was the second longest-serving pope in modern history after Pope Pius IX, who served for nearly 32 years from 1846 to 1878. Born in Poland, John Paul II was the first non-Italian pope since the Dutch Pope Adrian VI, who served from 1522 to 1523. John Paul II's cause for canonization commenced in 2005 one month after his death with the traditional five-year waiting period waived. On December 19, 2009, John Paul II was proclaimed Venerable by his successor Pope Benedict XVI and was beatified on May 1, 2011 (Divine Mercy Sunday) after the Congregation for the Causes of Saints attributed one miracle to his intercession, the healing of a French nun from Parkinson's disease. A second miracle attributed to John Paul II's intercession was approved on July 2, 2013, and confirmed by Pope Francis two days later (two miracles must be attributed to a person's intercession to be declared a saint). John Paul II was canonized on April 27, 2014 (again Divine Mercy Sunday).

October 21, 2018

All catechesis flows from the liturgy nothing is as important as what happens at the Sunday Mass. Christ is present in four fold ways, in the bread and wine, the Presider, the word of God and the community gathered. But for a lot of people the Sunday mass and readings and homily goes too quickly. In order for people to think back on the mass, we will have the "Question of the Week". The purpose of the "Question of the Week" is to bring together people of all ages to learn about and share their faith. The question will be relating to one of the readings from Sunday's Mass. The question will allow different ministry groups and families to break open the word and share faith throughout the week.

Question of the Week:

Adults: *How do I feel when I do something good and I am not acknowledged? Why?*

Children: *Am I willing to help others even if nobody thanks me for it? Why?*

Reading 1: *Is 53:10-11*

Reading 2: *Heb 4:14-16*

Gospel : *Mk 10:35-45*

Church Humor

Tough Teacher

A school teacher injured his back and had to wear a plaster cast around the upper part of his body. It fit under his shirt and was not noticeable at all.

On the first day of school, still with the cast under his shirt, he found himself assigned to the toughest students in school.

Walking confidently into the rowdy classroom, he opened the window as wide as possible and then busied himself with desk work.

When a strong breeze made his tie flap, he took the desk stapler and stapled the tie to his chest.

He had no trouble with discipline that year.
